The "BEST of the BEST"

MR. G. EDWARD KELSEN
High School

MRS. FAYE KELSEN
Elementary

This year for our "Best of the Best" Mac collection we depart somewhat from tradition by dedicating our book to two people instead of just one. As in any year, there are many who are deserving of our thanks and recognition for the friendship, the guidance, the support and the help they have given us during our formative years. But there are always a few who, because of their dedication and devotion to teaching and to children, earn a special place in our hearts. This year we honor two people who together have dedicated thirty-seven years of their lives to teaching. Mr. G. Edward Kelsen began teaching in 1952

at Milford, N. Y. and came to McGraw in 1961. His wife Faye began teaching in 1959 at LeRoy, NY and came to McGraw in 1961 as a speech teacher and began teaching full-time here in 1964. Together this couple has devoted twenty-three years to the children of McGraw. We are proud to include two of the best of the best, Mr. and Mrs. Kelsen, in our Best of the Best collection. We are grateful for the patience and understanding, dedication and devotion of these two fine teachers.

Thank you Mr. Kelsen.

Thank you Mrs. Kelsen.

SPECIAL RECOGNITION

Mr. Harold Gates (left) has been a familiar face on the school buses for the past eighteen years. He retired in January, and still runs his own florist shop at his home in McGraw.

Mr. Everett Rulison also retired in January. For the past eight years, he served as a bus driver, and he has also been employed as the school mechanic and head of the bus garage. Mr. Rulison is now at home in McGraw, and operates his own Body Shop.

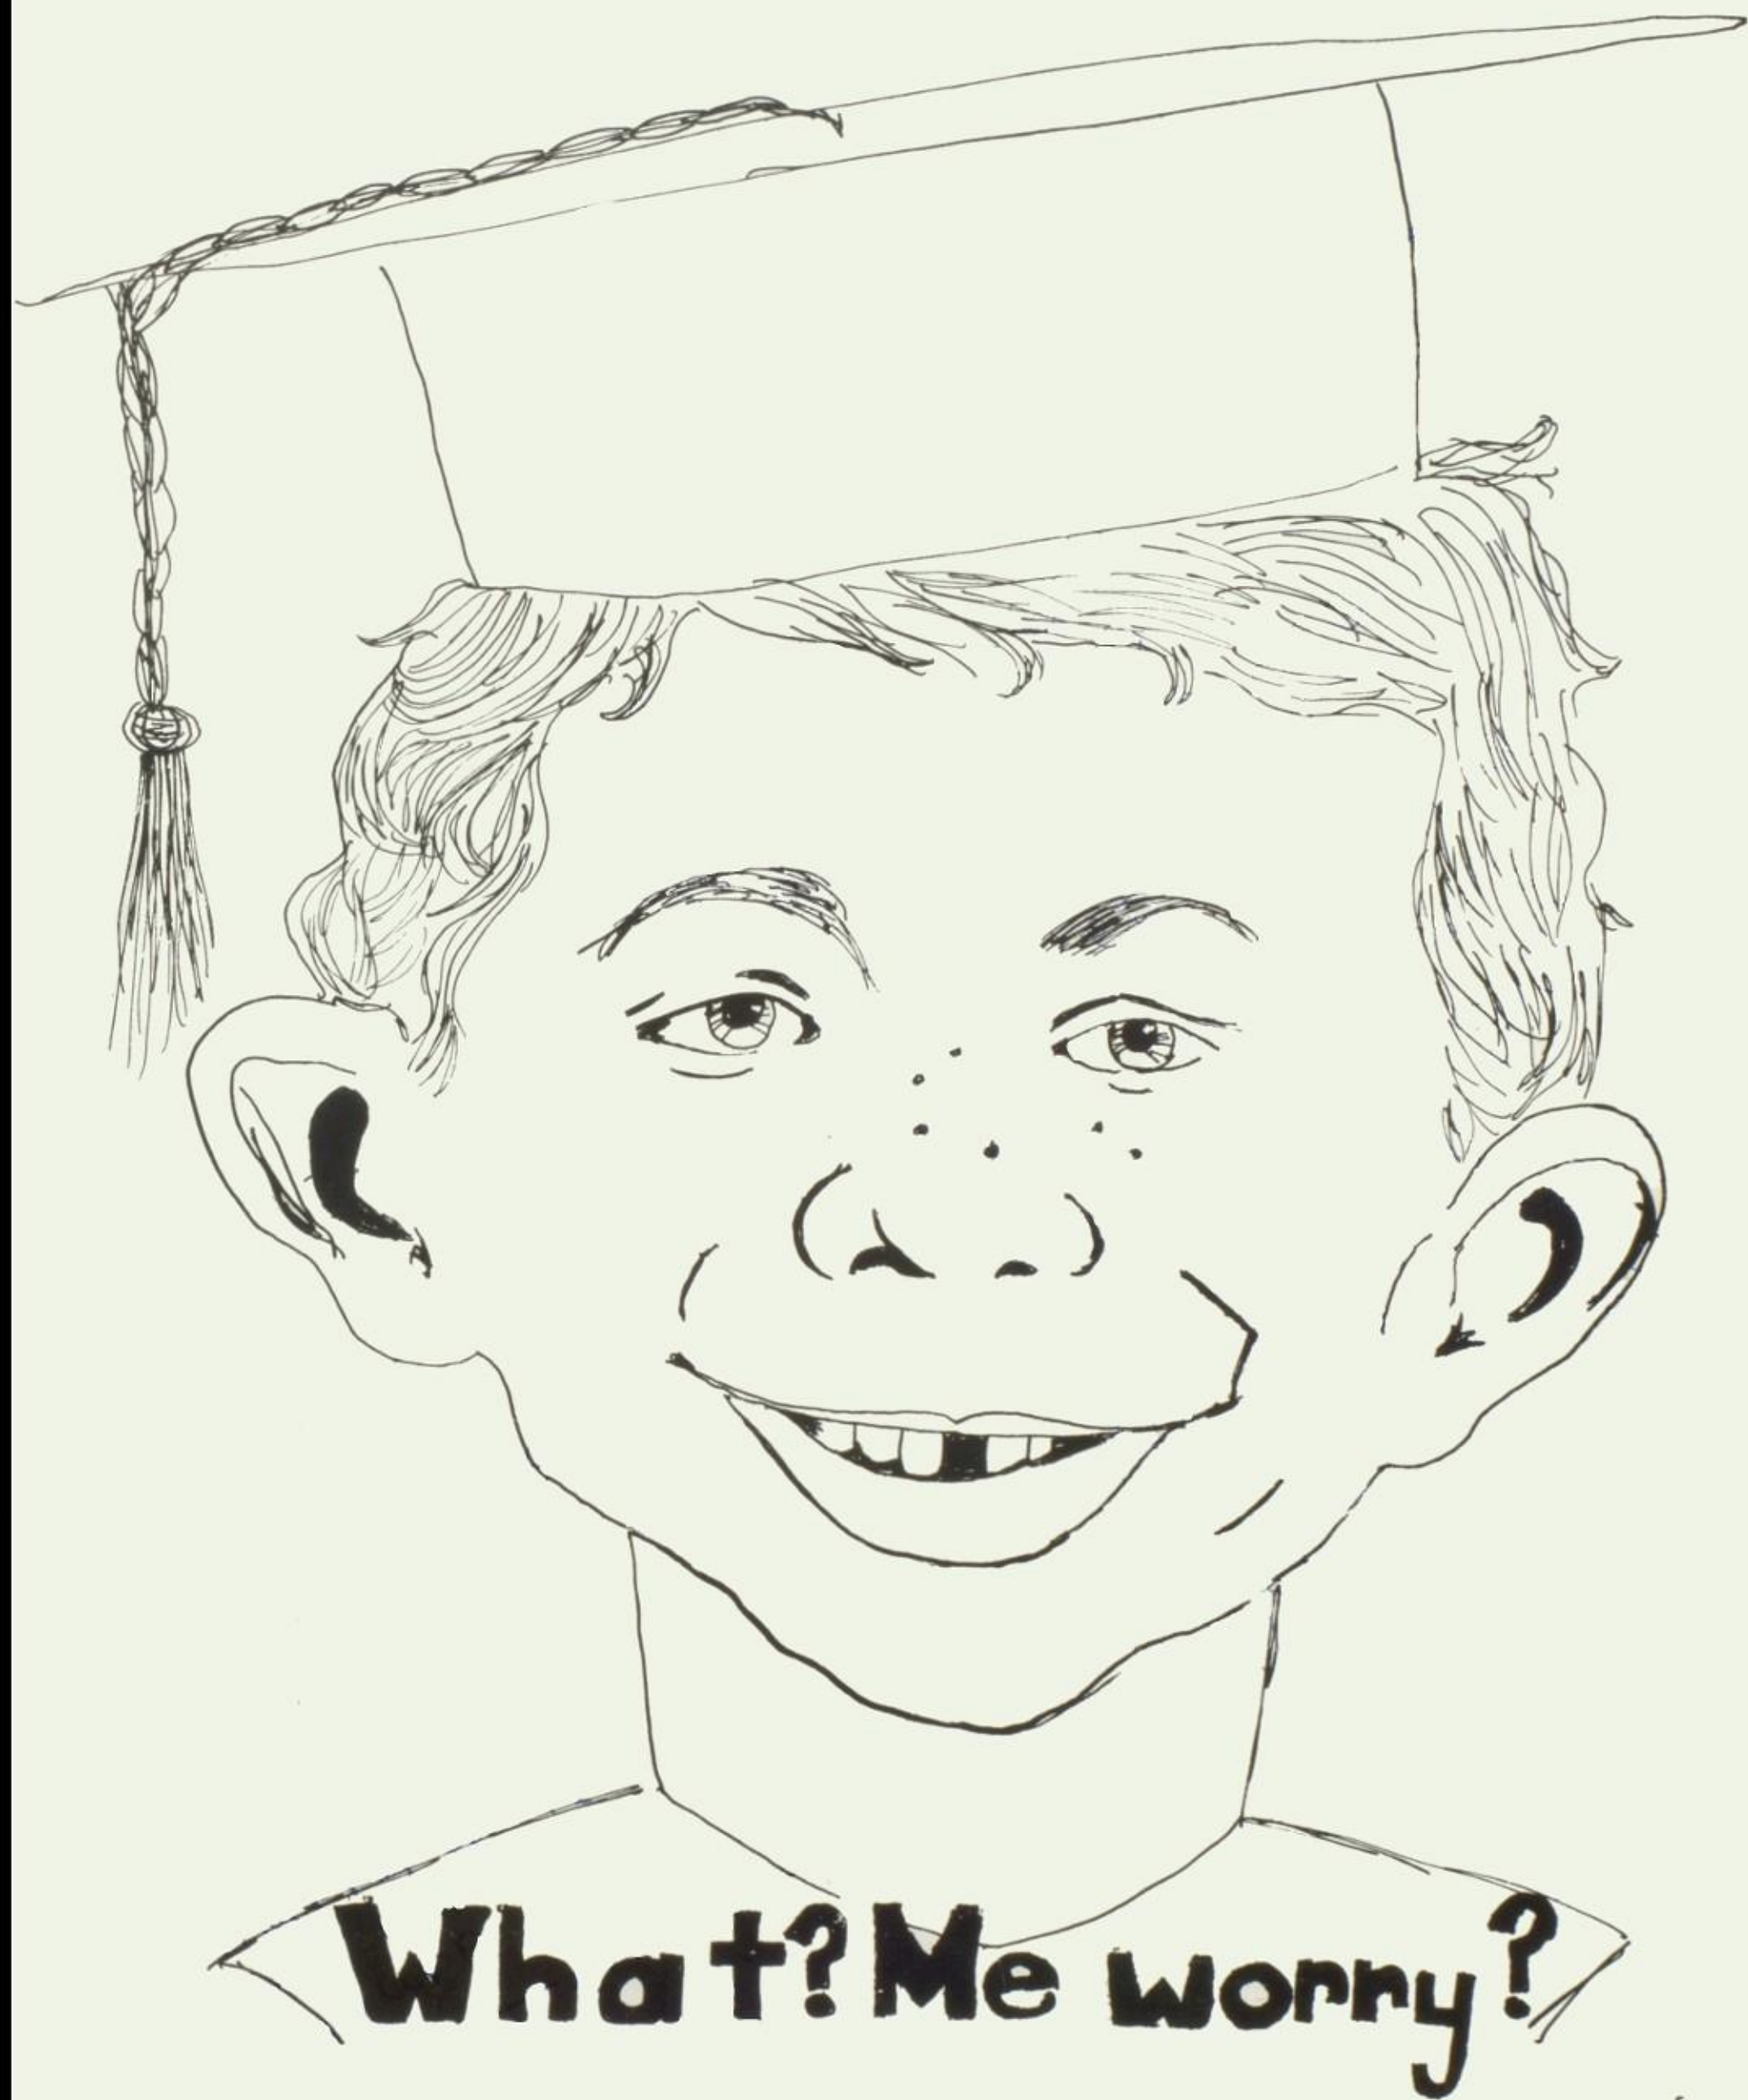

Mrs. Janis Allis (left) served as the Health Aide at the Elementary School for three years. She left in November and is now at home with her family in McGraw.

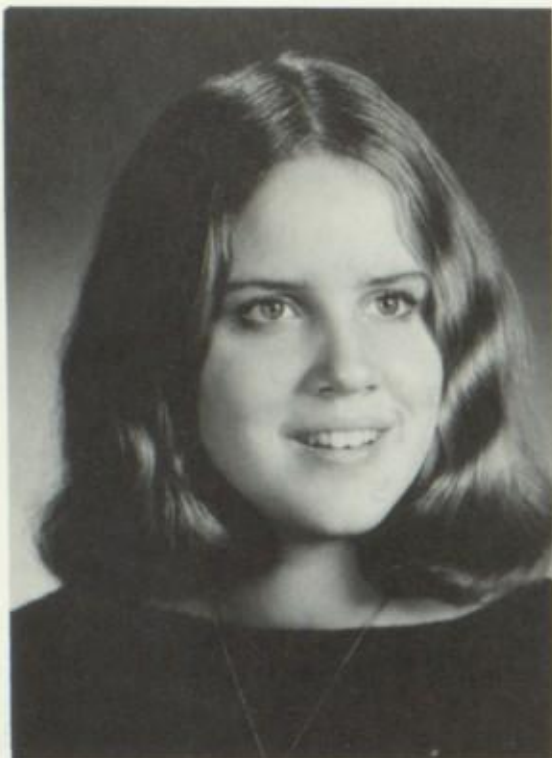

Mrs. Lina Johnson retired this January after being in the McGraw School system for seventeen and a half years. We think of her most often as our school nurse, but she also served as our health teacher during the last few years of her employment.

Mr. Wayne Young (left) came to McGraw three years ago and entered the science department as an Earth Science teacher. He left us to resume his career in aviation, and is also farming at his home in Cincinnati.

Mr. Walter Dippo has been with the McGraw School system for ten and a half years, and has served in a wide variety of positions ranging from coach of the baseball, soccer, and basketball teams to guidance counselor. He is now employed as a sales representative with Tri Texas Inc. out of Dallas.

THE JUNIOR PROM

"Medieval Spring"

May 19th, 1973

There is always a lot of work involved in making any prom a success. However, the end result makes every bit of this effort worthwhile. The theme for last year's Junior Prom took a step backward into the days of Camelot and King Arthur's Court. The gymnasium was decorated in a red and white color scheme, and the class flower was the red rose. Matt Eaton served as Master of Ceremonies, and announced the Prom Court as they entered to the sound of "Pieces of April", the class song.

The Class of '74 wishes to thank our crown bearers, Miss Allison Falso and Joey Sandy, for a fine job well done.

THE SENIOR PLAY

"Man Overboard" November 9th and 10th, 1973

One of the highlights of every school year is the annual senior play. This year, the class chose a comedy-mystery in three acts that took place on board the steamship "Columbia". It is impossible to mention all those people who helped to make this play a success, but the class would like to extend special thanks to our director, Mr. Charles Allen. Without his help, the play could not have been a reality.

EUROPEAN TRIP

On April 17 a group of McGraw students left for London and Paris. They stayed in London for nine days and while there they visited many interesting places, such as Westminster Abbey, Cambridge, and Stonehenge. Even though the weather was somewhat cold and rainy, it sure didn't dampen the tourists' spirits. They all gave Mrs. Bugh a real go-around and the Stuart Hotel may never be the same, but they learned quite a bit just the same.

On April 26th they crossed the English Channel and took a train into Paris. There they spent five days seeing L'Arc de Triomphe, la Tour Eiffel, and other such attractions. They quickly learned how to say, "Je veux un hamburger," and how to get ten rides from a single Metro ticket.

Finally on May 1st the happy but tired travelers boarded the Pan Am 707 and arrived in New York in the afternoon. All in all the students enjoyed it very much and would jump at the chance to go again.

The 1973 McGraw J.V. Soccer team wasn't too successful in the win column this year with a 1-7 record. However, it was a building year with a great many freshmen returning. Next year's season should bring improvement with so many players coming back.

VARSITY SOCCER

Based on a strong returning nucleus from the 1972 squad, Coach Hubbard had looked to 1973 as "the year of the Eagles." With three of the five IAC losses being recorded during the final four games, however, the McGraw booters fell to a third place standing.

McGraw made a gallant bid for the Old Forge Tourney title this year. The host team's second half surge overcame a 1-0 halftime deficit, though, and gave them the title and trophy in a 4-1 decision.

June 1974 graduation claims six veteran players, but J.V. promotions bring some strong candidates to the varsity ranks. The departing seniors include captain Mike DeHart, Blake Bickford, Ken Gilbert, Byron Horak, Jim Tomik, and Gary Soshinsky.

McGraw finished with a 7-5 IAC record, and 8-8 over-all.

ROW 1 — Gary Soshinsky, Ken Gilbert, Denny Bilodeau, Byron Horak. ROW 2 — Jeff Swisher, Bob Stovall, Mike Mowry, Mike DeHart, Brian Zirbel, Chris Cleland, Tim Mulcahy. ROW 3 — John Bean, Jim Tomik, Lou Mowry, Doug Little, Blake Bickford, Mark Abbatiello, Rick Sholar, and Mr. Hubbard.

 Sec. IV Class C Runner-up

This year's varsity basketball team distinguished itself as one of the school's finest. Throughout the season, they demonstrated the ingredients of a championship squad: balanced scoring, excellent defense, and team dedication. As a result, they won 17 games and lost only 4. This included capturing the IAC Northeast Division Championship and Runner-up in the Section IV Class C Playoffs. Five seniors: Blake Bickford, Mike DeHart, Don Jones, Jim Mott, and Mark Reif have concluded fine basketball careers at McGraw and all will be greatly missed next season.
